Thank you for letting ProAuthenticators evaluate your Wallet. The photos provided were clear and legible to review. All fonts on heat stamp and date code and factors like logos, hardware, leather and lining materials are wrong and not consistent with authentic Louis Vuitton. After reviewing all the pictures, we conclude that the item is **NOT Authentic**.

This letter is prepared by our professional authenticators and can be used as a proof of authenticity in any given case.

Sincerely,

Levy Heavrin
